The One-Time™ family of digital media security products just got a little bigger…

Introducing the ONE Time™ AUDIO-BOOK

LOCKED

UNLOCKED

- First-ever security case designed specifically for audiobooks
- Heavy-duty virgin polypropylene case is designed to withstand drop box wear and tear and is ideal for archival purposes

- Innovative two-piece sleeve cartridge allows librarians to easily reconfigure sleeves and patrons to effortlessly browse a multidisc title
- Incorporates One-Time™ internal locking technology and is compatible with UMD-11 Decoupler

- Comes in two configurations: low capacity (holds 1 to 16 discs) and high capacity (holds 17 to 32 discs)

Available late 2009
